

ONE RIVER RUN VALET PARKING PLAN

Residential Condos:

- One car per condo unit may be valet parked (95 spaces)
- Additional cars may be valet parked on an “as available” basis

Hotel Rooms:

- Each hotel room can valet park
- Additional cars may be valet parked on an “as available” basis

Retail/Ski School:

- Residential condos and hotel valet parking take priority
- The parking garage will not be used for day skier parking
- The parking garage will not be used for ski school drop-off
- Retail/restaurant valet parking may be on an “as available” basis
- No overnight parking for any retail/restaurant uses

Overflow Parking:

- ORR valet parking team will work with residential condo owners and/or hotel guests to find additional, overnight parking spaces if valet parking is not available for additional cars
- ORR valet parking team will manage the movement of vehicles from the Powerline parking lot to ORR lobby for overflow retail/restaurant “day skier” uses to allow condo/hotel owners and guests parking within the ORR garage
