To: Board of County Commissioners
From: Scott Hoffman, Chief Building Official
Subject: Appointment of Board of Review Members
Date: March 23, 2021

The Building Board of Review is required per our building code and plays an integral role in recommending the adoption of amendments to the code as well as reviewing appeals of decisions of the Chief Building Official when necessary. Members must have expertise in building construction.

Jeff Leigh, Matt Wright and Michael Miller all have terms expiring on March 31, 2021. Michael has decided to not reapply for the Board, but Jeff and Matt would like to be reappointed. In February of 2021 the Building Department ran a recruitment advertisement in the Summit Daily News and received one response from Todd Taylor who is an electrical contractor.

The Building Board of Review is currently made up of the following members:

Michael Miller	(Representing Electrical Contractors)	Term expires 3.31.21
Jeff Leigh	(Alternate Member)	Term expires 3.31.21
Matt Wright	(Alternate Member)	Term expires 3.31.21
Jon Raymond	(Representing General Contractors)	Term expires 3.31.22
Eric Fischer	(Representing Plumbing Contractors)	Term expires 3.31.22
Cody Jensen	(Alternate Member)	Term expires 3.31.22
Marc Hogan	(Representing Architects and Engineers)	Term expires 3.31.23
Jay Nelson	(Representing Fire Departments)	Term expires 3.31.23
Mark Gee	(Alternate Member)	Term expires 3.31.23

Todd Taylor will be interviewed by the board on Tuesday, March 23, 2021 to replace Michael Miller as an electrician on the board.

Staff recommends Todd Taylor be appointed to fill the vacancy for a term to expire 3.31.24. I also recommend that Jeff Leigh and Matt Wright be reappointed to terms to expire on 3.31.24.
