Re: Acceptance of ROW Easement for a section of Montezuma Road

---

As part of the approval of Government Lot 59 PUD in the Snake River Basin, the section of Montezuma Road that crossed the property was required to be dedicated as ROW to Summit County. This ROW Easement dedication and attached Exhibit satisfies the requirements of the PUD and the applicant and staff request that the Board of County Commissioners take action to accept the dedication as set forth in the attached documents.
