RE: Sales Tax Vendor Fee

Currently, Summit County Government allows vendors in our county to retain a vendor fee of 3.33% to cover the cost of collecting and remitting our county and mass transit sales taxes. With the advances in technology the State of Colorado has implemented and automation of much of this process, we feel this vendor fee is no longer necessary.

It is my recommendation that we remove the 3.33% vendor fee effective January 1, 2022 for both our County sales tax and the Mass Transit sales tax.
