**1. Initial Term.** This Agreement shall be effective as of the date that it has been fully executed by all parties and the State Controller, and continue in effect for an initial term that ends on January 31, 2021 (the “Initial Term”).

**2. Renewal Terms.** This Agreement shall continue in effect for up to four (4) additional terms of one 12-month-period each, beginning on February 1 of each year and ending on January 31 of the following calendar year (each being a “Renewal Term”), so long as (1) the County has paid the Annual Contribution for the Renewal Term by the later of February 1 of that calendar year or on the 75<sup>th</sup> day after the County received the Assessment invoice for that Renewal Term, and (2) no party is in default of any terms of this Agreement.

**F. RELATED DOCUMENTS CONCERNING WILDLAND FIRE PROTECTION**

**1. Cooperative Agreement.** The parties agree they will at all times during the term of this Agreement be party to the Agreement for Cooperative Wildfire Protection.

**2. Annual Operating Plan.** The parties shall develop, review, and execute, along with other participants, an Annual Operating Plan (“AOP”) before April 1 of each year that this Agreement is in effect. The AOP will establish specific operational procedures intended to ensure prompt and effective response to and suppression of wildland fires. So long as the County has paid its Annual Contribution for the current Initial Term or Renewal Term, failure to execute an AOP by the April 1 deadline will not result in a penalty to any party pursuant to this Agreement. Instead, failure to execute an AOP by the April 1 deadline may cause a party to be in default of this Agreement pursuant to section H(1), thereby preventing an automatic subsequent Renewal Term pursuant to section E(2).

**G. EMERGENCY FIRE FUND CONTRIBUTIONS, MANAGEMENT, AND DISBURSEMENTS**

**1. Emergency Fire Fund.** The EFF is created in accordance with statute and exists through the payments made by participating Colorado counties and other entities that enter into EFF agreements with the DFPC. The DFPC maintains the EFF as an account under the fiscal management of the Division Director. Payments from the EFF shall be made in compliance with the provisions herein and all applicable laws, rules and regulations pertaining to DFPC funds, including but not limited to the State Fiscal Rules, §24-33.5-1202(3.8), C.R.S., and §24-33.5-1221(2)(b), C.R.S. There is no upper limit on the amount of funds that can accumulate in the EFF, and funds may accumulate from year to year.

**2. Assessments and County Contributions to the Fund.** Each Term, the County shall make its annual contribution to the EFF in the amount assessed by DFPC for the County for such Term in accordance with this section. To the extent not already paid, the County shall pay the assessment for the Initial Term simultaneously with the execution of this Agreement in the amount invoiced for 2020 by the Division. Subject to annual appropriation by the County, assessments and payments for Renewal Terms shall be as follows:

**i.** The DFPC shall calculate assessments in accordance with the following formula:

Annual EFF Assessment= Acreage Cost + Valuation Cost.

Acreage Cost= (fixed cost/acre \* number of non-federal forested acres in the county)  
where the fixed cost per acre is set to \$0.0075.

Valuation Cost= (annual valuation \* normalization value) where the annual valuation is the total taxable assessed value of all acres in the county, and the normalization value reduces the sum of the assessments of all counties each year to \$1M.

- ii. On or before August 1 of the Initial Term and each subsequent Renewal Term, the DFPC shall send a letter advising the counties of their actual assessment for the Renewal Term. This notice shall match the invoice reference in item iii below.
  - iii. On or before October 1 of the Initial Term and each subsequent Renewal Term, the DFPC shall send an invoice to the County for the actual assessment for the next Renewal Term.
  - iv. The County shall pay the invoiced amount no later than February 1 of each Renewal Term, except that under no circumstances shall the County have less than 75 days from its receipt of the invoice from DFPC to pay such invoice. All payments to the EFF are final and non-refundable except as provided in section H(3)(iv) of this Agreement.
- 3. Reporting, Management, and EFF Advisory Committee.**
- i. The Division shall provide written financial reports (“EFF Financial Report”) to the EFF Committee and to all participants in the EFF Program prior to the Fall Committee meeting, identifying fund income, expenditures and encumbrances, and available balance. Pursuant to §24-33.5-1220(2)(a), C.R.S., the EFF may hold funds received from sources outside the scope of this Agreement, therefore DFPC shall account for such contributions separately from any other moneys in the EFF.
  - ii. The Division Director shall make the EFF Financial Report available for review to an advisory committee (the “EFF Advisory Committee”) composed of the Division Director; three county commissioners designated by Colorado Counties, Inc.; three county sheriffs designated by County Sheriffs of Colorado; and two fire chiefs designated by Colorado State Fire Chiefs, pursuant to §24-33.5-1202 (3.8), C.R.S., and shall receive from the EFF Advisory Committee recommendations on matters relating to the Fund, including, without limitation, whether or not the Fund should be increased. Final decision making authority over fiscal management matters shall reside with the Division Director on behalf of the participant Counties, and shall constitute final agency action subject to review in accordance with the provision of § 24-4-106, C.R.S.
  - iii. The DFPC shall at all times administer the EFF in accordance with all applicable laws, rules, and regulations, including but not limited to §24-33.5-1220(2)(b), C.R.S., which states:

“The division shall use the moneys in the emergency fire fund to provide funding or reimbursement for wildfires in accordance with memoranda of understanding with participating public entities.”

In doing so, the DFPC shall consider the role of the EFF Advisory Committee as contemplated by §24-33.5-1202(3.8), C.R.S., which states:

“‘Emergency fire fund’ means the emergency fire fund created in section 24-33.5-1220 that was first established in 1967 with voluntary contributions from counties and the Denver water board; administered by a nine-person committee composed of county commissioners, sheriffs, fire chiefs, and the director; and used for the purpose of paying costs incurred as a result of controlling a wildfire by any of the parties contributing moneys to the fund, in accordance with the intergovernmental agreement for participation in the emergency fire fund.”

- 4. Disbursements from the Fund.** The provisions of this sub-section shall control the eligibility of costs for reimbursement or payment from the EFF. The DFPC shall make distribution from the EFF only upon direction of the Division Director or his/her designee, and is subject to the “Emergencies” provisions of the State Fiscal Rules (Rule 2). Disbursements shall be limited to reimburse or pay for Eligible Costs incurred in controlling a wildfire that is

determined to be eligible for EFF assistance pursuant to section G(6) below and are incurred during the designated EFF Period. The designated EFF Period is defined as the time after the State assumes financial responsibility for the fire from the County until the County reassumes financial responsibility for the fire. During each Term, the DFPC will use EFF moneys to reimburse the County and the Sheriff for Eligible Costs incurred in connection with the County's and the Sheriff's wildland fire suppression efforts on fires within their jurisdiction, which are EFF approved as set forth in this Agreement during such Term.

**v.** Host Fire Protection District is defined as the fire department(s), fire protection district(s), or volunteer fire department(s) in which the EFF incident is occurring within the organization's legal boundaries.

vi. Nothing in this Agreement shall prevent the Sheriff or County from seeking reimbursement for expenses and costs they incur during an EFF Fire for aid given on land under federal jurisdiction. Arrangements for these expenses and costs must be negotiated with federal agencies by the County or Sheriff and are outside of the scope of this Agreement.

**5. Procedure for Obtaining EFF Assistance.** To obtain EFF assistance, the Sheriff shall follow the procedure outlined in the Agreement for Cooperative Wildfire Protection for elevating a County Responsibility Fire to a State Responsibility Fire. Provided that EFF funds are available, the County shall be eligible for EFF assistance when the DFPC Analysis threshold for EFF assistance has been met and the parties have entered into an Assumption of Fire Control Duty Agreement. ii. A County's participation in the EFF shall not disqualify or otherwise limit its eligibility for other financial assistance that may be available for Counties that are not participants in the EFF.

**7. Fund Depletion.** If at any time during the term of this Agreement the EFF becomes depleted or has insufficient funds to meet the obligations of the Fund, the County shall have no claim against the Fund, the Division, or the State.

section I(5), to the defaulting party advising that this Agreement is terminated and setting forth a date of termination, which date shall be no earlier than the date the termination notice is delivered to the defaulting party.

Furthermore, the Division shall repay to the County all sums the County paid for that Term, less (1) any sums the State paid or is obligated to pay to the County for Eligible Costs incurred by the County during that term prior to the date of termination; and (2) EFF funds committed during that Term prior to termination for any other fire in jurisdictions covered by the EFF in reliance on the Annual Contribution by the County and Sheriff for that Term.
