Commissioners and staff discussed the earlier Summit County Government Virtual Town Hall, which focused on the County's COVID-19 recovery efforts. They agreed to schedule a second Virtual Town Hall meeting for early September. Suggestions for improvement included inviting the town council members, more question and answer opportunities, more focus on Public Health, and trying to get ski area involvement.

Amy Wineland gave an update on the Breckenridge Terrace COVID-19 outbreak. She noted that contact tracing has been completed, and that affected individuals have been isolating and quarantining as recommended.

The meeting was adjourned.
