TO: Summit County Board of Health
Scott Vargo
Jeff Huntley
FROM: Lori Dwyer
RE: BOCC and BOH Joint Work Session of September 17, 2020
DATE: September 17, 2020

Attendees:

Elected Officials (via conference phone): Karn Stiegelmeier, Thomas C. Davidson and Elisabeth Lawrence – Commissioners
Jaime FitzSimons – Sheriff

Staff (via conference phone): Scott Vargo, County Manager; Jeff Huntley, County Attorney; Cameron Turpin, Assistant County Attorney; Bentley Henderson, Assistant County Manager; Sarah Vaine, Assistant County Manager; Marty Ferris, Finance Director; Amy Wineland, Public Health; Julie Sutor, Director of Communications; Molly Boyd, Human Resources Director; Nicole Valentine, Public Health Public Information Officer; April Paige, Executive Administrative Manager and Lori Dwyer, Administrative Assistant.

Guests (via phone): Libby Stanford, Jim Reis, Peyton Rogers, Bruce Butler and others that did not sign in.

Commissioners and staff discussed Halloween and how activities could happen in different areas. Scott Vargo noted that Blue River and Dillon plan to hold a Trunk-or-Treat and that Breckenridge will likely block off roads for Trick-or-Treat as they normally would. Silverthorne does not plan to hold their annual Pumpkin Fest. Commissioners and staff discussed whether various activities would be defined as "events".

Amy Wineland noted that October is Domestic Violence Awareness Month. She noted that the Nurse-Family Partnership (NFP) team has partnered with Advocates for Victims of Assault to tape at SCTV on topics including but not limited to defining domestic violence, statistics before and during the pandemic, how domestic violence affects infants and children, and the role NFP Nurse Visitors play in intimate partner violence.

Ms. Wineland gave an update on flu vaccine points of distribution (PODs). She noted that there will be a drive through at the Transit bus barn which will partner with the Colorado Mountain College nursing school. She noted other options including community based distribution, targeting groups with access needs, and using a transit van for individuals who can't get to PODs. Public Health will have 4,000 vaccines that will be free of charge to community members. Pharmacies and health care providers are already receiving the vaccines, but members of the public should call ahead of time to make sure they are available.

Ms. Wineland clarified the quarantine and isolation process as it relates to the Summit School District. She noted that when a cohort is under quarantine, the school district will send a letter to parents. Cohorts will continue to use the symptom tracker while under quarantine. Public Health will conduct contact tracing.

Ms. Wineland gave an update on local COVID-19 case numbers and the new state dial framework. She noted that the timeframe of 13 new cases lines up with infection during the Labor Day holiday weekend. Commissioners and staff noted that in order to have a successful ski season, the County must avoid case spikes

Review of the ongoing Public Health COVID-19 Local Disaster Emergency and the Legal Issues related thereto (Public Health Dept., Attorney).

Thomas Davidson requested an Executive Session to discuss public health matters and legal advice pertaining thereto.

A motion was made by Commissioner Davidson and seconded by Commissioner Lawrence to go into Executive Session to review confidential public health matters, Human Resources matters and negotiations and other issues pertaining to the ongoing COVID-19 Local Disaster Emergency, and the Legal Issues related. BOCC voted 3 to 0 to go into Executive Session per CRS 24-6-402 (4) (b)(c)(d) with specific reference to 25-1-122. The motion was approved.

Respectfully submitted,

Lori Dwyer, Deputy Clerk
