SHERIFF'S OFFICE INTRODUCES NEW TEMPORARY PARKING PERMIT

SUMMIT COUNTY, CO- The Summit County Sheriff's Office has implemented a new system for residents of unincorporated Summit County. Now anyone from the public can visit our website and request special parking privileges for events that will require several cars to park on county roads.

This can be done through our new online parking permit application. This document allows any person to provide information in regards to their event and specify any special parking needs. Upon approval residents are granted special parking privileges for the specified date and time of their event.

To access this online application please go to our website www.co.summit.co.us. Under the Departments heading go to the Sheriff's Office tab where you will find the Services tab. Under the Services tab you will find the Temporary Parking Permit application. Simply fill out the application and hit the Submit button to electronically submit your application.

*This temporary parking permit is valid only in unincorporated Summit County.
