TIPPING FEES (updated 1/1/20)

page 2

Criteria for structural fill – Contains no organic material, no trash, no free liquids, and no mud.

Size – 1 ft. minus. Material that does not meet the above requirements will be charged the current rate for trash along with applicable surcharges. Same sizing requirement for Topsoil – no liquids/mud/trash. Tandems, End Dumps etc. \$60 per load. \$30.00 per load minimum charge – pickups trailers.

Call 970-668-4290 for more specific information

Concrete – no rebar, no mesh or backing, No manufactured stone or bricks. Maximum size 3x3 slab – above that size, landfilled at current loose trash rate.

Scrap metal – no contaminants - barbed wire, chicken wire, or rolled fencing, rebar, cable, brake shoes or pads, propane or fuel tanks. Barrels only accepted with lids off or cut open.

Slash, Stumps, Pallets & Clean Lumber must be separate loads for lower rates – Raw, dimensional lumber only - no treated, creosoted, painted or stained lumber in Pallets. Plywood and OSB no longer accepted at Pallet, Clean Lumber rate. No metal hardware. No trash or other construction debris in load. Pallets without metal strapping or other contaminants are ok. No dirt, rocks, or additional logs or slash can go into the dedicated stump pile, CLEAN STUMPS ONLY. Loads will be inspected, & contaminated loads will be charged at the loose trash rate, along with applicable surcharges and additional hauling fees.

Chip product – There is a 2-inch maximum size requirement to qualify for the chip price. The price defaults automatically to the slash rate if product does not meet these criteria. Also, no contamination in the load – no trash, limbs, log ends, rocks or dirt.

Green Yard Waste - No dirt, rocks, bags, noxious weeds, dog waste, wood or slash for this material.

Compost products for landscaping now available for retail sales – small & large quantity pricing available. Ask for pricing and hours of operation. Topsoil blends not guaranteed to be weed or seed free. Large commercial orders on Saturday requires prior approval.

Colorado Law, SB 12-133 bans landfill disposal of certain electronics waste from all sources, even residential. Effective 7/1/13. This facility does have a fee based collection service & uses certified R2, E-Steward recycling companies. Items include: television sets, central processing units, computer monitors or peripherals, printers or fax machines, laptops, notebooks, ultra & net books, tablets, dvd, vcr players, video display screens > 4 inches. C.R.S. Title 30, Article 20, Part 1 and 10. CRS Title 25 Article 17 Part 3

Quantities that require appointments: 25 gallons or more of HHW, 30 Ewaste units (cpu,tv,monitors, etc), & more than 50 fluorescent bulbs in a given delivery.

Please call 970-668-4291 to schedule an appointment.

Dig outs - \$60.00

Contaminated Soil Analyses will require additional admin charges – to be determined case by case
Special handling rates may apply for any special equipment or handling needs - \$60.00 per 15 minutes.

Asbestos free sampling inspection reports signed by a certified engineer are required 14 days in advance of estimated delivery date for all building demolition projects including mobile home demolition. This includes abatement manifests for any material outlined for special handling in the report. Reports should be faxed to 970-262-3626. Neither friable nor non-friable asbestos is accepted at this facility.

Call 970-668-4290 for more information.
