JOB SITE SAFETY DURING COVID-19

COVID-19 is a virus that causes respiratory illness. COVID-19 is easy to transmit, and in order to slow the spread of illness in our community, safety measures are in place at your job site.

Safety Measures

Are you sick?

Do not report to work if sick (fever, cough, shortness of breath, sore throat, runny/stuffy nose, body aches, nausea, chills or fatigue). Notify your supervisor immediately.

Are you at risk of severe illness? If you are at high risk of illness, you are encouraged to stay at home. Employers must make reasonable accommodations for at risk individuals.

- People over age 65 and/or
- People with chronic medical conditions like heart, lung, kidney disease, or diabetes

Physical Distancing

- Work crew size must be limited to the minimum number of people necessary to perform the task. No more than 10 may congregate in an area.
- Minimize interaction between work teams. **Do not congregate teams during breaks.**
- Avoid contact with visitors outside the typical work crew.
- In-person meetings should be avoided. If necessary, maintain at least 6 feet of distance, and wash hands before and after meeting.
- Maintain at least 6 feet of physical distance between employees when possible.
- Wear face coverings when six feet of separation cannot be maintained between other workers and customers. This is in additions to other safety equipment required for the job function.

Hygiene

Do not share personal protective equipment

- Clean and disinfect commonly touched surfaces frequently (door handles, grab bars, instrument panels, steering wheels, cell phones, tools, etc.). If surfaces are dirty, clean them prior to disinfecting.
- Wash hands often using soap and water for 20 seconds or use an alcohol-based hand sanitizer that has at least 60% alcohol.

If you feel unsafe conditions exist at your job site, contact dispatch to make an anonymous report at 970-668-8600 or email covidquestions@summitcountyco.gov.
