Colorado State University does not discriminate on the basis of race, age, color, religion, national origin or ancestry, sex, gender, disability, veteran status, genetic information, sexual orientation, gender identity or expression, or pregnancy. Colorado State University is an equal opportunity/equal access/affirmative action employer fully committed to achieving a diverse workforce and complies with all Federal and Colorado State laws, regulations, and executive orders regarding non-discrimination and affirmative action. The Office of Equal Opportunity is located in 101 Student Services. Colorado State University Extension operates in compliance with the same laws and executive orders as the University as administered by the U.S. Department of Agriculture. As a part of the USDA regulations, the Extension Equal Employment Opportunity representative may be contacted at 1311 South College Avenue, Room 102, Colorado State University.

This AmeriCorps program is available to all, without regard to race, color, national origin, disability, age, sex, political affiliation, or, in most instances, religion. It is also unlawful to retaliate against any person who, or organization that, files a complaint about such discrimination. In addition to filing a complaint with local and state agencies that are responsible for resolving discrimination complaints, you may bring a complaint to the attention of the Corporation for National and Community Service. If you believe that you or others have been discriminated against, or if you want more information, contact: Office of Civil Right and Inclusiveness, Corporation for National and Community Service, 1201 New York Avenue, NW, Washington, DC 20525, (800) 833-3722 (TTY and reasonable accommodation line) (202) 565-3465 (FAX); eo@cns.gov (email).

Spend a year making a difference for youth in your community

Colorado State University Extension (CSUE) 4-H Science, Technology, Engineering, and Math (STEM) AmeriCorps Members plan and deliver 4-H STEM programming to underserved youth (ages 8-18) in out-of-school settings.

You will:

- Provide fun, hands-on educational opportunities to underserved youth
- Encourage youth to stay in school, pursue secondary education, and become lifelong learners
- Explore STEM
- Inspire the next generation of STEM professionals
- Help youth prepare for the future as they develop life skills in a positive and safe environment
- Build partnerships and engage volunteers throughout the community

We seek passionate and dedicated individuals to serve as CSUE 4-H STEM AmeriCorps Members

What we'll ask of you:

- Develop, strengthen, and deliver youth development programs emphasizing 4-H STEM in out-of-school time settings
- Meet AmeriCorps requirements
- Commit to a year of service
- Build relationships
- Gain valuable experience
