

CONTRACT INFORMATION

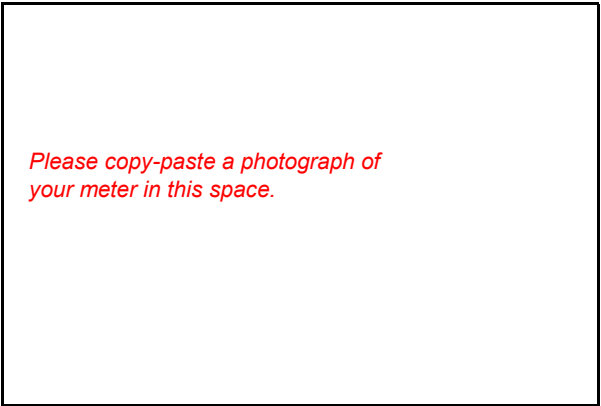

Contract Number:

Contract Name:

Telephone Number:

Email Address:

Well Permit Number:

INSTRUCTIONS

- 1.) Complete the contract information section above.
- 2.) READ YOUR METER & record the reading (value and day) in the below table. Take readings as often as possible (monthly, or at a minimum annually).
- 3.) Provide a photograph of your meter. The photo will be used to confirm the units of measurement in order to properly evaluate water use.
- 4.) Return a copy of this form (spreadsheet or printed) to Summit County by April 15, 2023. Please make sure to take a reading in April before returning the form.**

Email spreadsheet or printed form to: (manageradmin@summitcountyco.gov)
 Mail printed form to: ATTN Manager's Office / P.O. Box 68 / Breckenridge, CO 80424-0068

2023	March		

The finer points...

A meter reading is used to evaluate water use, which is a requirement of your contract with Summit County. The totalizing meter that is installed on your well continually measures the amount of water that is being diverted. Most totalizing meters are set to record in units of gallons. Therefore, the difference between two meter readings represents the total amount of water that was diverted between the dates that the readings were taken.
