

SCOPE OF WORK
SOLID WASTE ENGINEERING SERVICES
FOR
SUMMIT COUNTY

Summit County, Colorado

Summit County is soliciting statements of qualifications and experience from solid waste engineering design firms for on call solid waste, recycling, compost and household hazardous waste related services. Services to be provided include landfill engineering, permitting, and construction phase services, landfill gas design, permitting and monitoring, Title V assistance, green-house gas assistance, recycling design and permitting assistance, stormwater management planning, leachate management design and permitting, groundwater monitoring, engineered design and operation plan (EDOP) revisions/update, landfill survey work, financial assurance calculations, capacity estimates, landfill life projections, household hazardous waste assistance, exploration and production (E&P) waste assistance, and general civil design. Selection will be based on an evaluation of factors including, but not limited to, recent experience in solid waste projects, local knowledge of the region, ability to present to a public forum, reputation, background, capacity to meet schedules and budgets, quality of previous solid waste projects undertaken, familiarity with Summit County, and degree of interest shown.

Sealed statements of qualifications will be received at the Summit County Resource Allocation Park Main Office, 639 Landfill Road, Dillon Colorado 80435 until 2:00 p.m., local time, Thursday June 1st, 2023.

Any statement of qualifications received after this time will be returned unopened. The Request for Qualifications document may be obtained at the Summit County Resource Allocation Park, Main Office, 639 Landfill Road, Dillon CO 80435, during the hours of 8:00 a.m. to 4:00 p.m., Monday through Friday, by calling personnel at (970) 668-4290, or by return e-mail only. The complete document is also available at the Summit County Government web-site <https://www.summitcountyco.gov/Bids.aspx>

The Request for Qualifications notice is being published in the Summit County Journal

Statement of Interest and Qualifications

Summit County, Colorado

REQUEST FOR QUALIFICATIONS SOLID WASTE ENGINEERING SERVICES FOR SUMMIT COUNTY, COLORADO

Summit County, Colorado
May 8th, 2023

I. PROPOSAL DESCRIPTION

Summit County (“County”) is soliciting statements of qualifications and experience from solid waste engineering design firms for on call general services. Services to be provided include landfill engineering, permitting, and construction phase services, landfill gas design, permitting and monitoring, Title V assistance, green-house gas assistance, recycling design and permitting assistance, storm-water management planning, leachate management design and permitting, groundwater monitoring, engineered design and operation plan (EDOP) revision/update efforts, landfill survey work, financial assurance calculations, capacity estimates, landfill life projections, household hazardous waste assistance, exploration and production (E&P) waste assistance, and general civil design. The purpose of this request is to procure a design team for general solid waste, landfill, recycling, compost and household hazardous waste projects and operational assistance.

Design services must include the following professional disciplines and specialty consulting areas: solid waste design and permitting; civil engineering; survey work; and general construction phase services.

II. BACKGROUND INFORMATION

The Summit County Resource Allocation Park is located about 4 miles east of Dillon accessed from Colorado Highway 6 on High on 465 acres that were purchased from the BLM. The Subtitle D landfill is owned and operated by Summit County. The landfill accepts approximately 50,000 tons per year of residential waste, commercial waste, construction and demolition debris, and special waste. The landfill does not have a gas collection system yet but is under Title V regulations. The landfill area also includes a waste tire storage area, a leachate holding pond, a metals pile for recycling, and a wood waste pile that is periodically mulched. Also located on the property is a dual-stream material recovery facility that began operations in 2005 and processes approximately 3,000 tons per year in recyclables, and a household hazardous waste collection programs that started accepting waste in 2005. Integrated within the facility is a Large scale commercial Class III composting operations.

REQUEST FOR PROPOSALS
for
Landfill Engineering Services
MAY 8th, 2023

Overview

Summit County Government (“County”) is soliciting bids from qualified contractors to provide services for the following:

Landfill, compost, and recycling engineering services located at the Summit County Resource Allocation Park, 639 Landfill Road, Dillon CO, 80435. SCRAP is requesting bids landfill, compost, and recycling engineering services.

Copies of the request are available at www.SummitCountyCO.gov under ‘Bids & Proposals’ or by request at the Summit County Resource Allocation Park Office. Contact Scott Swedberg Admin Manager for additional project information at Scott.Swedberg@summitcountyco.gov or 970.668.4292.

Scope of Services

Contractor shall furnish all labor, transportation, and incidentals necessary to perform the Engineering Services.

Work shall be completed as set forth in a contract for this project to be negotiated with the County \ based upon the contractor’s written proposal.

Date and time of service

Service will be performed on an ongoing basis beginning January 1, 2024. Service will be performed on a schedule during SCRAP hours of operation Monday – Friday 7:00 am – 4:00 pm and to be agreed upon prior to contract. Potential schedule should be included in contractor's written proposal.

Indemnification and Insurance

Contractor shall indemnify and hold harmless the County from and against all claims, damages, losses, and expenses arising out of or resulting from acts or omissions of the Contractor, Contractor’s sub-contractors or otherwise arising out of the performance of services by Contractor. No later than seven (7) days following the execution of an Independent Contractor Agreement between the County and Contractor, the Contractor shall provide the County with certificates of insurance evidencing the types and amounts of insurance specified below:

- a. Worker’s Compensation and Employer’s Liability:
 - i. Worker’s Compensation must be maintained with the statutory limits.
 - ii. Employer’s liability is required for minimum limits of:
 - \$1,000,000 Each Accident
 - \$500,000 Disease Policy
 - \$1,000,000 Disease Each Employee
- b. Commercial General Liability:
 - i. \$1,000,000 Each Occurrence
 - ii. \$2,000,000 General Aggregate
 - iii. \$2,000,000 Products Completed Operations Aggregate

- c. Automobile Liability: Contractor will maintain business auto liability coverage covering liability arising out of any auto (including owned, hired and non-owned autos) used in the performance of services under this Agreement.
 - i. \$1,000,000 Combined Single Limit Each Accident

Insurance coverage shall not be reduced below the limits described above or cancelled without the County's written

approval of such reduction or cancellation. Certificates of such insurance, of agents and subcontractors, shall be provided to the County upon request. With regard to all insurance, such insurance shall:

- Be primary insurance to the full limits of liability herein before stated and, should County have other valid insurance, County insurance shall be excess insurance only; and
- Not cancelled without thirty (30) days prior written notice to the County.

Proposal Format

Costs for performing services outlined in this request for proposals shall be clearly stated to allow the County to effectively evaluate each proposal. Potential daily schedule of services should also be included.

Refinements and Improvements

Applicants should feel free during the proposal submission process to provide any suggestions or comments that might be advantageous for the County to consider in terms of any efficiencies, issues or processes. The County is not committed to any single scenario, but efficiency of resources and minimizing impacts are critical in completing this work.

The following pages contain the RFP instructions and owners requirements.

Part I - ADMINISTRATIVE INFORMATION

A. Issuing Officer

This Request for Proposals ("RFP") is issued by Summit County Resource Allocation Park (SCRAP). For questions, please contact Aaron Byrne SCRAP Director at Aaron.Byrne@summitcountyco.gov or 970.668.4295.

B. Purpose

This RFP provides prospective contractors with sufficient information to prepare and submit proposals for consideration by the County. To be considered responsive, each proposal must provide for completion of the tasks outlined in the RFP.

C. Scope

This RFP contains the instructions governing the proposals to be submitted and the materials to be included therein. These are mandatory requirements that must be met to be eligible for consideration.

D. Scheduling

Proposals must be submitted via email to Aaron.Byrne@summitcountyco.gov to SCRAP by **June 1, 2023** no later than **2:00 PM MST/MDT**. The proposal should outline the schedule for commencement of service.

E. Inquiries and Questions

Prospective applicants are welcome to make inquiries and ask questions concerning the RFP to obtain clarification of the any requirements or schedule a site visit to the properties. Direct all inquiries to the following, no later than Noon (12:00 PM) May 18, 2023:

Aaron Byrne and Bill
Schenk SCRAP Director /
Recycling Foreman
970.668.4295 / 970.668.4293
Aaron.Byrne@summitcountyco.gov / Bill.Schenk@summitcountyco.gov

Time Schedule:

Monday, May 8, 2023: Request for Proposals publicly advertised and posted on County website Thursday, May 18, 2023, no later than 12:00 PM MST/MDT: Deadline for all Questions

Monday, May 22, 2023: All Questions, Comments and Responses to Questions posted by the County at Bids and Proposals on www.SummitCountyCO.gov

Thursday, June 1, 2023: **Proposals must be submitted via email to Aaron.Byrne@summitcountyco.gov no later than 2:00 p.m. MST/MDT**

Thursday, June 1, 2023: Official Bid Opening at 2:01 p.m.

Thursday, June 15, 2023: Notice of Award and send Unsuccessful Bidder letter (email) to all proposers

F. Instructions for Submission of Proposals

It is imperative, when submitting a proposal, that the outside of the submission email be addressed as follows and with appropriate text in the email subject line and text in the top few lines of the body of the email:

Email Address:

Aaron.Byrne@summitcountyco.gov

Subject Line Text:

Vendor's Name - Landfill Engineering Services

Body Text:

ATTN: Aaron Byrne SCRAP
Director Proposal for: Landfill
Engineering Services

1. Contractor's company name
2. Contact name and phone number

G. Late Proposals

It is the responsibility of each vendor submitting a proposal to ensure that emailed proposals arrive to SCRAP by 2:00 PM MST/MDT on June 1, 2023.

H. Proprietary Information

Any restrictions on the use of data contained within a proposal must be clearly stated in the proposal itself.

I. Response Material Ownership

All materials submitted regarding this RFP become the property of the County and will only be returned at the County's option.

J. Incurring Costs

The County is not liable for any costs incurred by those who have submitted proposals prior to issuance of a signed contract.

K. Acceptance of Proposal Content

The contents from the selected contractor's proposal will become contractual obligations if a subsequent agreement is reached. Failure of the successful contractor to accept these obligations may result in cancellation of the award and such contractor may be removed from future solicitations.

L. Acceptance Time

The County intends to make a proposal selection within 20 business days after the closing date for receipt of proposals.

M. Budget

Costs for performing services must be included in the proposals and should be clearly stated to allow the County to effectively evaluate each proposal.

PART II – PROPOSAL CONTENT

The proposal submitted must clearly address the requirements outlined in the RFP. Any concerns that the contractor may have about meeting these requirements shall be specifically identified in the proposal.

Scope of Work

Provide an outline of the contractor's understanding of the project. Summarize the basic approach to providing the services, and any recommendations on improving efficiencies in the process.

Qualifications

Contractor shall furnish a summary of experience on similar projects and be prepared to provide examples. Include a brief description of past and current projects. Each summary shall include a brief project description and name, address and phone number of a local contact person involved in the project. The statement of qualifications should also provide a summary of contractor's ability to successfully complete the requirements of this RFP. The statement of qualification shall be brief but shall include at a minimum the following:

1. Description of similar projects
2. Capabilities (including equipment) and staff

PART III – PROPOSAL EVALUATION AND SELECTION

The County intends to engage the most qualified contractor available for this assignment while minimizing the costs to the County. Responsiveness to the RFP will be a principle basis for evaluation. Proposals shall provide a straightforward and concise presentation adequate to satisfy the requirements of the RFP. The proposal should clearly express the contractor's understanding of the County's specific requirements, indicating the contractor's qualifications to conduct this service in a thorough and efficient manner.

Failure to disclose a conflict of interest is a misdemeanor criminal offense under Colorado Law. Such conflict may arise if any public official exercises any substantial discretionary function in connection with a government contract, purchase, payment or other pecuniary transaction without necessary disclosures as defined by Colorado Revised Statutes (C.R.S.) Section 18-8-308 as amended.

Selection Process.

1. The County reserves the right to reject any and all proposals, to consider alternatives, to waive irregularities and to re-solicit proposals.
2. The County reserves the right to conduct such investigations of, and discussions with, those who have submitted proposals (“Proponents”) or other entities as it deems necessary to assist in the evaluation of any proposal or to secure maximum clarification and completeness of any proposal.
3. All proposals submitted must be valid for a minimum period of ninety (90) days after the date of the proposal opening. Each Proponent must submit with the proposal a list of all subcontractors, independent contractors or sub-consultants employed or proposed to be employed by the Proponent in the performance of the contract.
4. Selection of a contractor will be made at the sole discretion of the County. The County may consider the following criteria when evaluating proposals that includes but is not limited to:
 - a. Cost;
 - b. The reputation, experience and efficiency of the Proponent;
 - c. The ability of the Proponent to perform the contract or provide the goods and services within the time specified;
 - d. The comparative quality of the goods and services bid;
 - e. The Proponent’s performance under previous contracts with Summit County;
 - f. The number and scope of conditions attached to the proposal;
 - g. The Proponent’s interest in the project, as well as their understanding of the project scope and the specific requirements of Summit County; and
 - h. The application of all of the above criteria to any sub-consultants, subcontractors or products to be utilized by the Proponent.
5. Contract negotiations will take place with the most qualified contractor. The County reserves the right to incorporate specific contract provisions into the Proponent’s standard contract if the County’s standard contract cannot be used. Such provisions include but are not limited to insurance and indemnification provisions and governmental immunity provisions. If a contract cannot be negotiated, the negotiations will be terminated in writing and negotiations will begin with the next most qualified contractor.
